We are pleased to offer this large detached family home in central Edgware, literally minutes from the shops, restaurants, and Northern Line tube station on Station Road.

Comprising five good sized bedrooms, a massive though lounge and dining room, an eat in kitchen- diner, a guest WC and an abundance of storage, plus a garage and off street parking, the house offers bright and spacious living accommodation.

Planning consent has been granted to demolish the property and build a considerably larger two storey detached house, with rooms in the loft space and a basement, making this an opportunity not to be missed.

A copy of the Planning Consent is available upon request.
