- ALL FURNISHINGS AND EQUIPMENT AVAILABLE

- PRIME LOCATION
- COLD ROOM

- BEAUTIFULLY APPOINTED

This beautifully laid out modern restaurant in central Edgware has come to the market because the business owner is planning to emigrate.

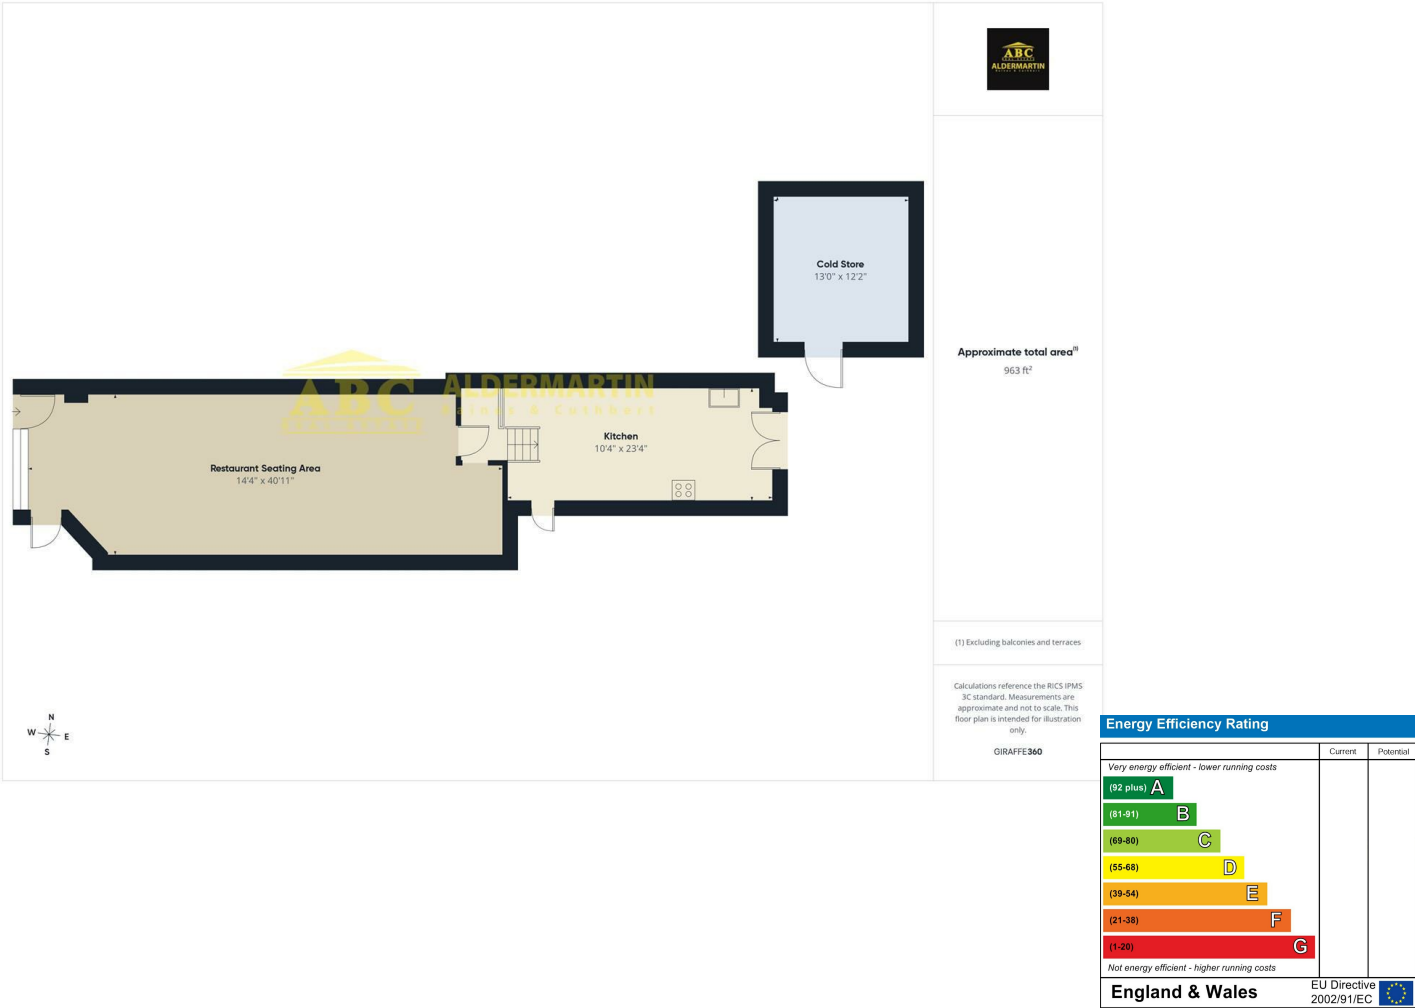

It is only minutes from the Northern Line station, and a short distance from Canons Park Jubilee Line.

The restaurant has a seating area which accommodates approximately 50 covers, and it has a large fully equipped kitchen.

There is a spacious cold store, plus a separate storage area, and also separate staff and patrons' WC facilities.

Deliveries can be received at the rear via a service road.

Our client is seeking an £80,000 premium for the benefit of the existing business, including the fixtures and fittings, the dining furniture and the entire kitchen equipment, or alternatively £40,000 with the premises cleared.
